

Courtesy call to the Vice Chancellor by Daily Nation Team

Date and time: Mon, 2018-06-11 14:26

The University of Nairobi's Vice-Chancellor, Prof. Peter Mbithi, has asked the media to report positive things about Kenya. "Every day, many Kenyans wake up and do good. There are many positive things out there but the media mainly concentrates on reporting the bad and the negative," said Prof. Mbithi. He said this when the new Nation Media Group, Managing Director, Newspaper Division, Mr. Francis Munywoki, paid a courtesy call on him on February 19, 2018.
